

PCC members have a new benefit!

Effective in 2010, if you're a paid PCC member, you're eligible for a discount on Outdoor Photographer, Digital Photo, and Digital Photo Pro magazines.

The rate for club members is:

- Outdoor Photographer \$11.97
- Digital Photo \$8.97
- Digital Photo Pro magazine \$16.97

The rate applies to both new subscriptions and renewals. To take advantage of the offer, bring a check made out to the magazine for each magazine when you come to the December meeting. For example, if you want to renew Outdoor Photographer and Digital Photo Pro, you'll need a check to Outdoor Photographer for \$11.97 and a second check to Digital Photo Pro for \$16.97.

Pete Rendek will collect checks and address information at the December meeting and submit the package to the publisher.
