

# Welcome to Phoenix Camera Club

Click and drag this bar to resize the webcam  
(It won't show up if no webcam is on)

Click and drag on window to  
resize shared image

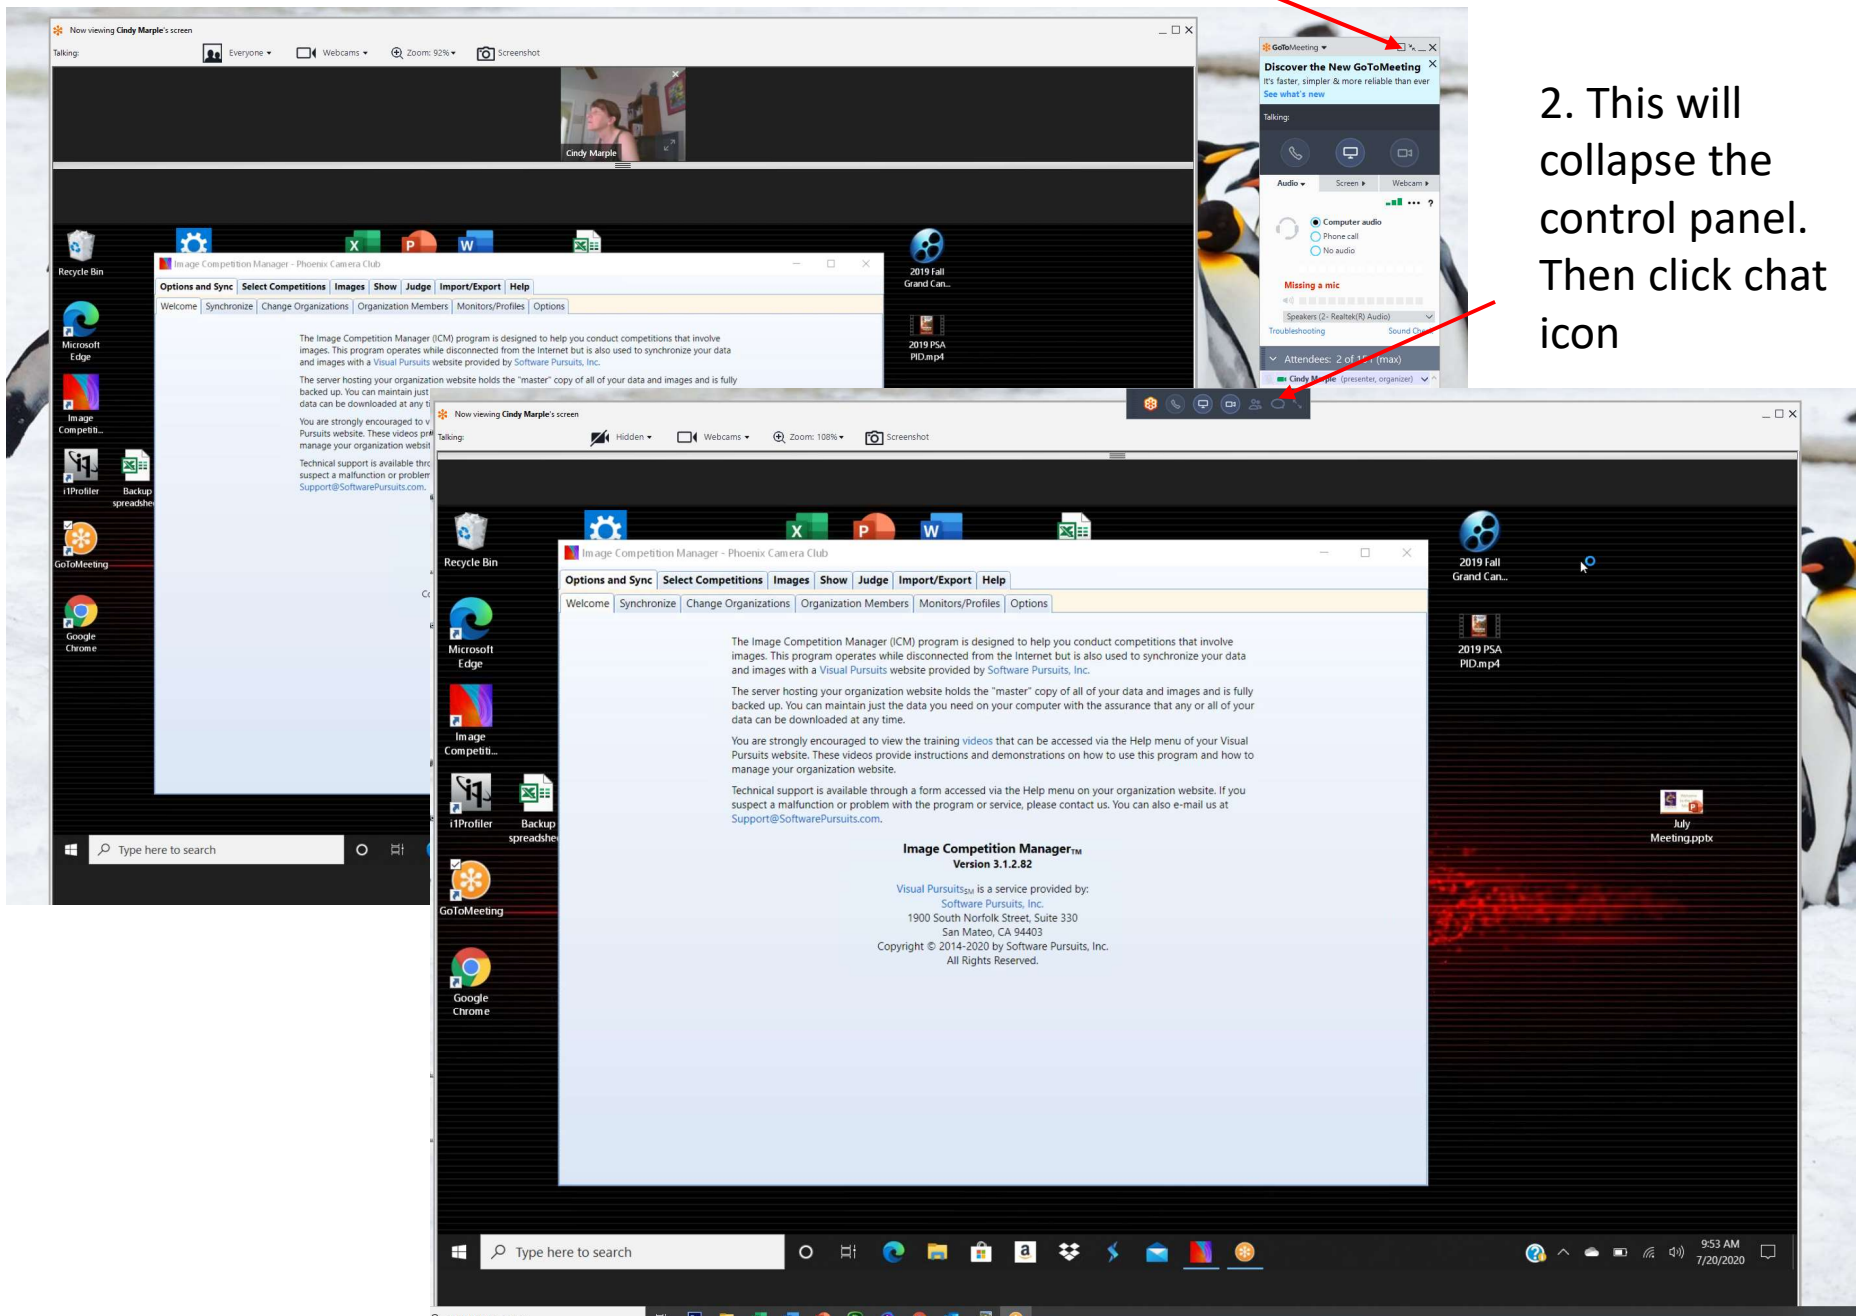

Click icon  
to mute /  
unmute

Click arrow  
to open  
chat box

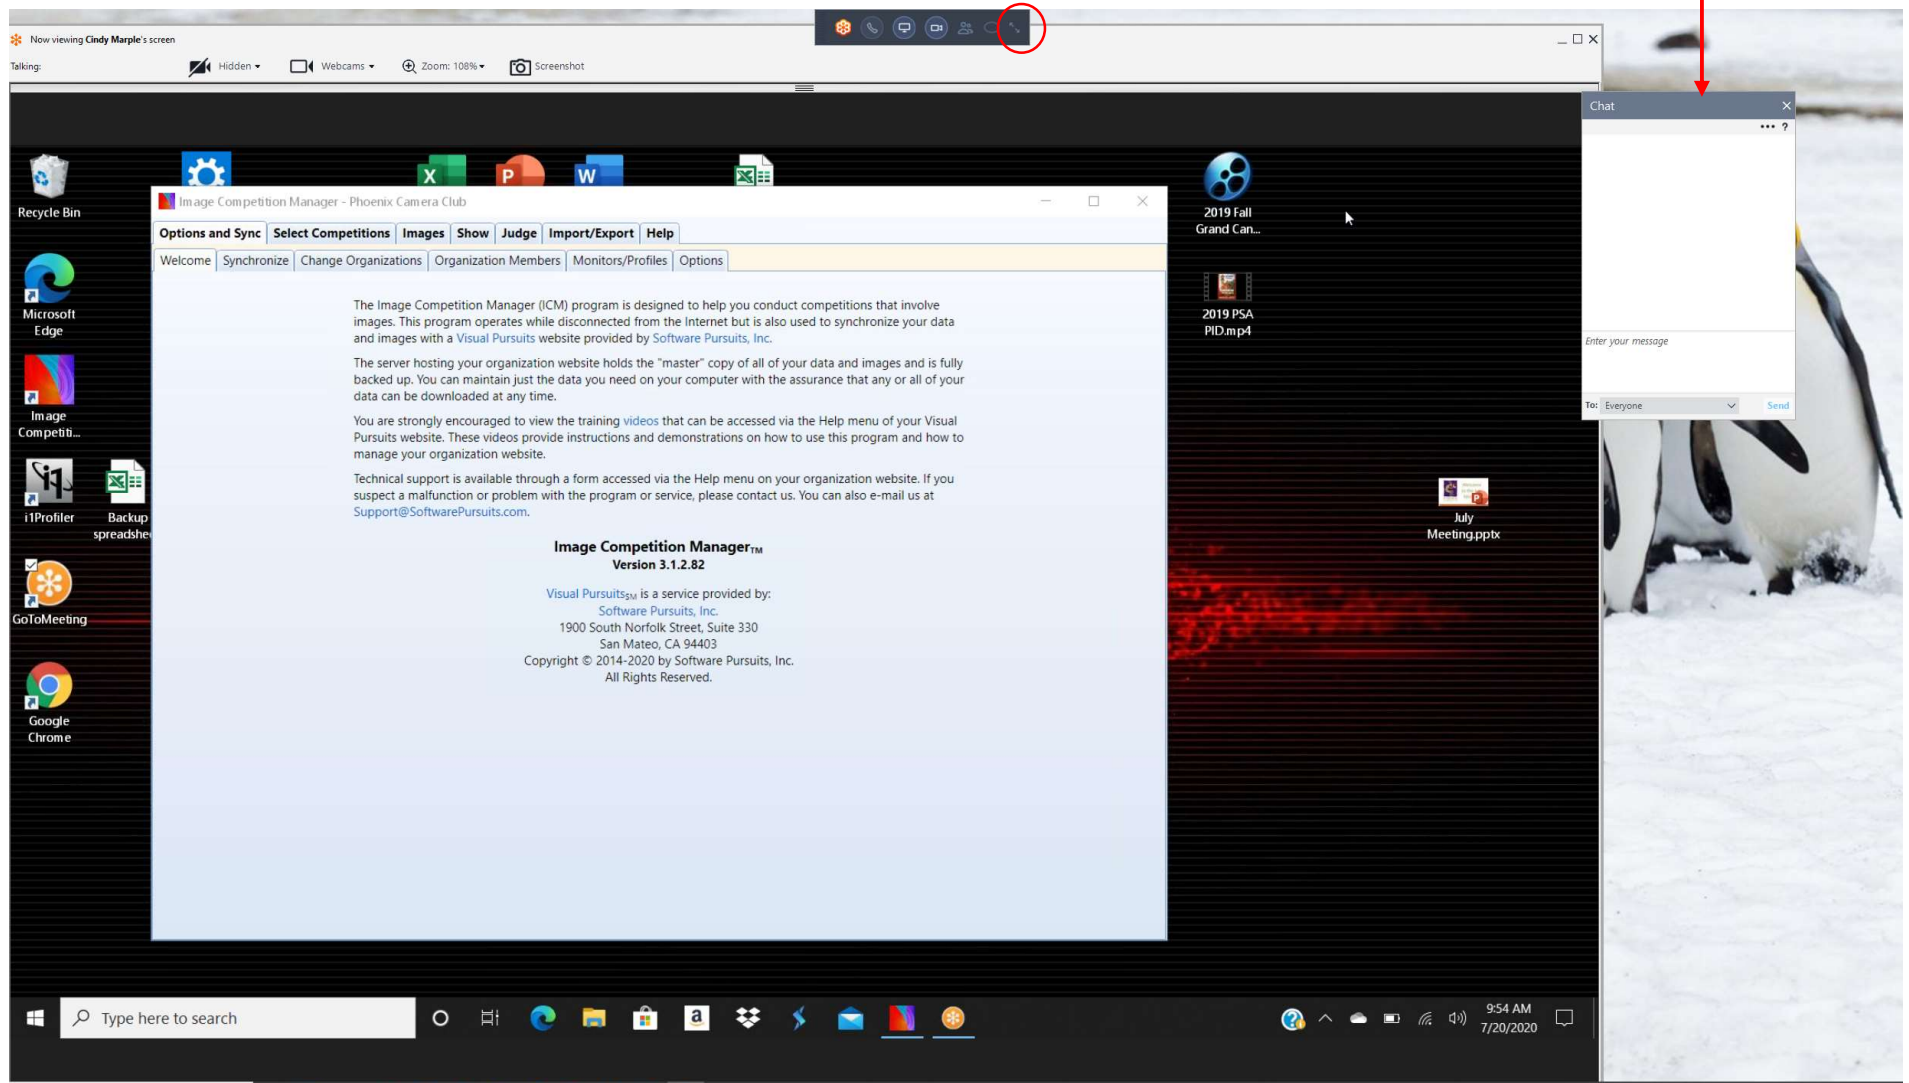

## Resizing Chat Box

1. Click double arrow

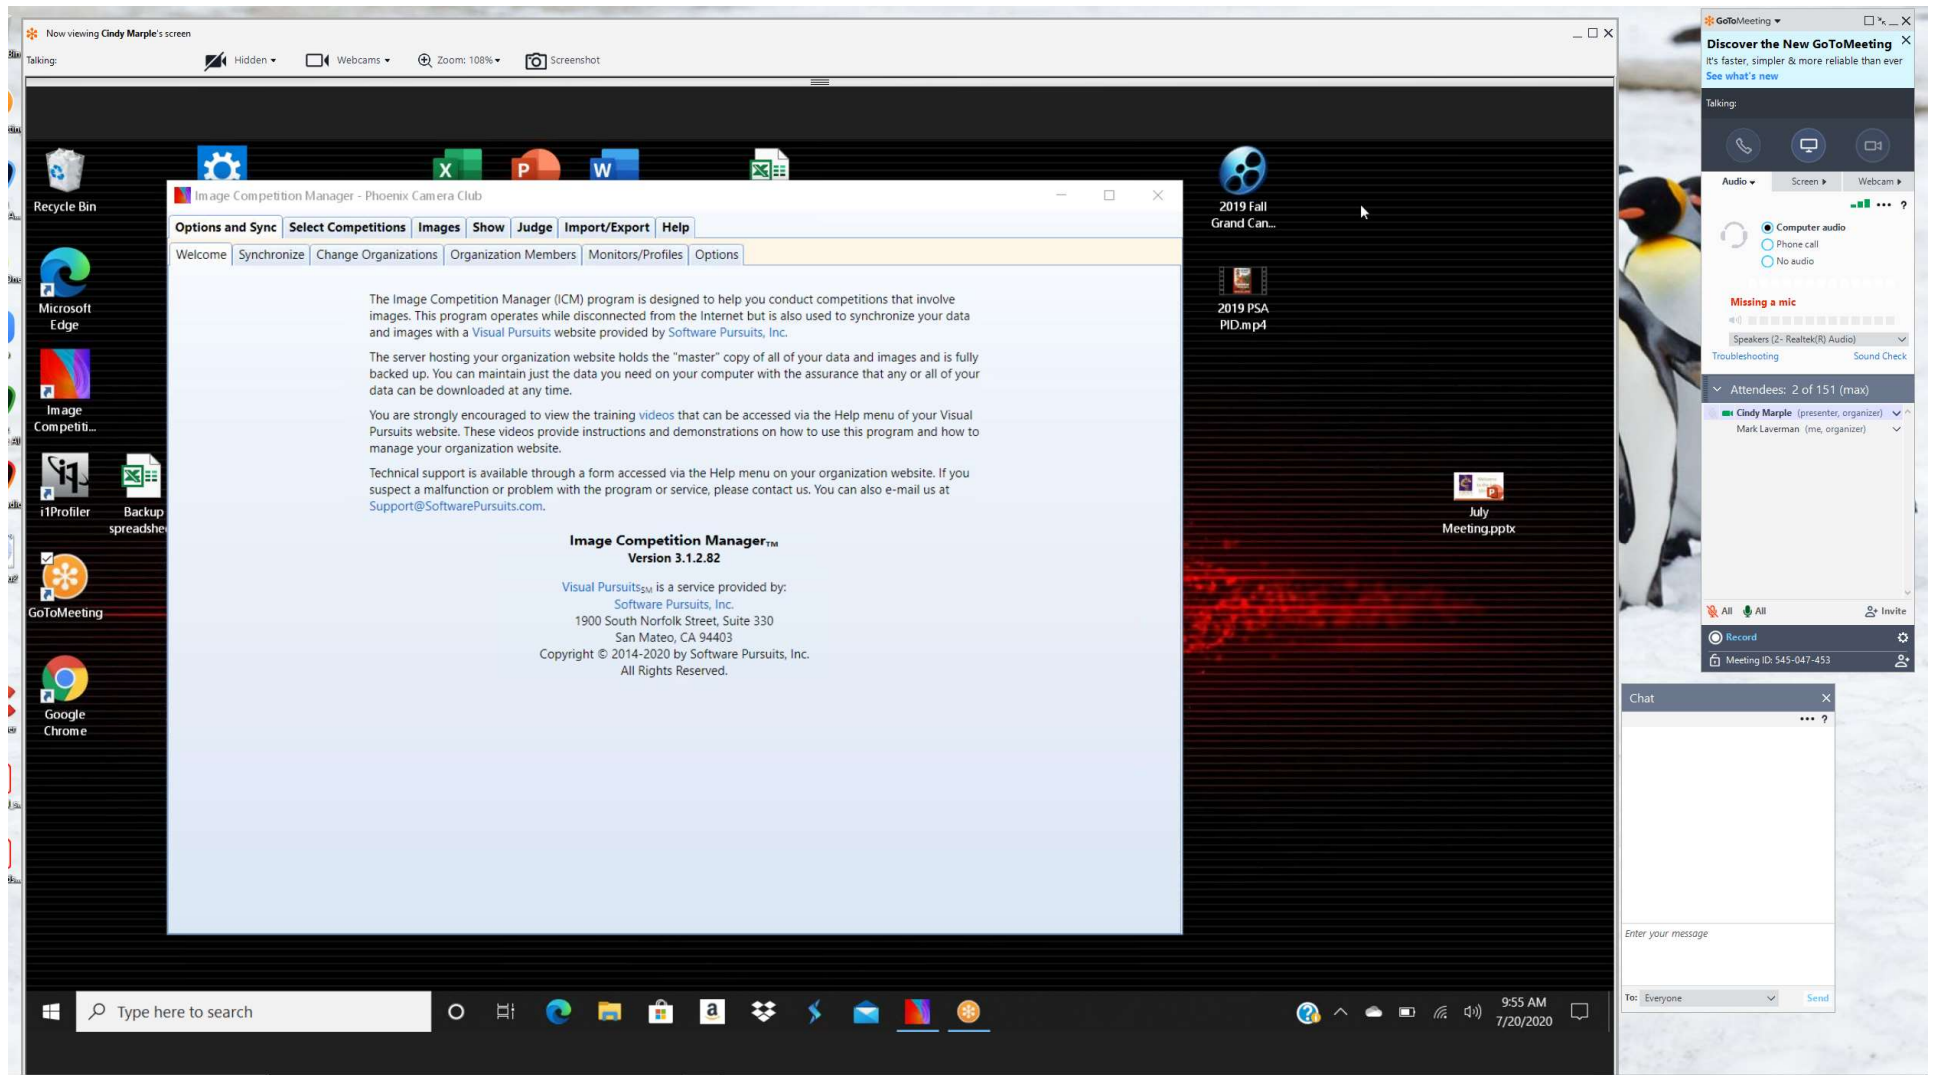

2. This will collapse the control panel. Then click chat icon

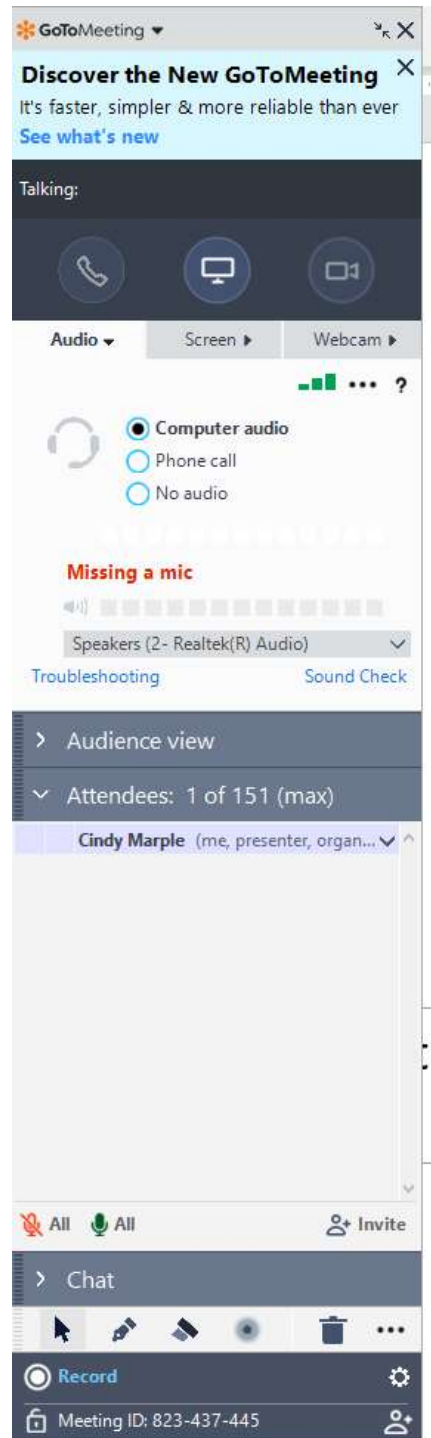

A separate chat window appears. Resize it and move it by clicking and dragging on the box. Then click on the double arrow to bring back the original control panel if desired.

# Resulting appearance

To change your name: right click on it and select “edit your name and email”
